Ms. Roysden reported 13 in detention on the wait list. Ms. Roysden shared a letter regarding the PJO Law. Department wants to remind everyone of their effort to reduce the waitlists. There is an average about 13 youth awaiting placement with approximately 5 needing specialized beds. ● Detention (Marcus Wilson/Mr. Owen) – population as of today is 40. Kert Rojka questioned 13 beds for PJO being part of the 40. Crossover Church cookout with the youth this past weekend. Federal grant study program to reduce isolation in detention. Decrease in confinement rates compared to last year. <ul style="list-style-type: none"> ○ Staffing update: Ms. Caldwell has 28 years all at detention. Frank Watson was named central region support worker. Ten new staff has been hired with 9 other trainees in the facility. ○ 2 mods under construction; looking for book donations and volunteers for a facility library. Volunteer opportunities contact Mr. Wilson. Mr. Owens was welcomed to the Advisory Board. ● JDAI (Sarah Blumberg) - <ul style="list-style-type: none"> ○ RED committee application to Georgetown University. Has been accepted and attending in late March of 2019. Applied for the Justice Assistance Grant which we did not receive; however, we did receive assistance with funding for the participation in March. ○ Circuit Advisory Board DRAI letter shared as some have mentioned they did not receive the letter. Current instrument 25 years old and less than effective in predicting outcomes secure vs HD vs outright. New instrument developed with the help of outside researchers using a sample population of over 46k youth, statewide collaborative group to vote on the DRAI (statutorily mandated) new DRAI approved in December and now working on Policy and Procedure and training. Role out is scheduled for July 2019. ○ Currently in the process of taking JDAI to state scale. Meeting 2 weeks ago with representatives from all over the state to determine the best way to bring it to the entire stated. 60 percent of the state of Florida reside in a JDAI site (definition of state scale). Currently at 5 sites, so a few more need to be brought on board.

	<ul style="list-style-type: none">○ Internal focus group next week regarding reducing isolation in the detention center. Mr. Rojka questioned the reduction of the number of youth going to secure based on the new DRAI. Ms. Blumberg will look into and respond next meeting. Ms. Roysden indicated a plan to work on supervision of the youth that will increase due to the new DRAI. Mr. Johnson asked about clinical oversight for the supervision youth. Ms. Roysden indicated 5 stakeholder trainings taking place for training on the new DRAI.● DJJ Prevention (Pat McGhee) - Conference call yesterday discussed funding being released soon with details to come. Reminded the group to have the grant review team available and ready as more information comes out.● DV Civil Citation Committee Update (Kert Rojka) – Thanked everyone on the committee for their assistance and support. He stated there were some obstacles that we were not aware of which caused this program to not move forward. Plan was to use Children Services location for respite care and reintegration with the family; however, that is not possible at this time. At this time, the project is on hold. Goal is to eventually use the expanded JAC facility. Question from audience-Mr. Rojka indicated Hillsborough County does a great job utilizing the civil citation and all but 13 misdemeanors are eligible.● Civil Citation (Ms. Justice) – August there were 37 referrals; 20 from the community and 17 from the schools. 31 are still active 6 closed unsuccessfully: 1 no-show, 2 not eligible, 2 parents declined, 1 new law violation. Expansion to include all first-time offenders. Work is now upon the court to try to determine the workload with transferring those cases within the court. Potentially move some of the workload within JDP to other areas. Findings will be reported October/November via email.● Safe & Sound Update (Mr. Barton) –<ul style="list-style-type: none">○ August- started JDC project in partnership with the CDC- completed employability's training- 8 youth met with career center staff to potentially match with employers; 2 have successfully gained employment. 40 youth came to the Kings Forest Park rec center- team game night first Friday of every month; presentation by Law Enforcement. Application for community gun and safe plan. Expanding to the Town and County area and then Temple Terrace.○ Continuing to address faith and mental health- first forum. Brought in over 28 members of the faith based community and discussed addressing barriers to address stigma on mental health. Drug and youth forum in Plant city sponsored by safe and sound and improvement league of plant city. Drugs overall but specifically methamphetamines. They asked for community advisory forum to bring in youth to discuss their opinions.○ Mr. Rojka asked about mock trials. Mr. Barton indicated they would like to start with the alternative schools but it takes time to get into the schools. Going back to Greco around November/December. Looking at expanding beyond the schools and having them in the community. Judge Twine Thomas commended Mr. Barton for his leadership in safe and sound. Ms. Justice stated there is a place on the court website where groups can ask for tours of the court and learn the criminal justice system.
