¹ ODS percentage is based on the total number of releases.

² The program completed less than 15 youth and care should be taken in interpreting this data.

³ The seriousness index is comprised of the sum of all scores for prior charges. The following point values are assigned: 8 for a violent felony, 5 for a property or other felony, 2 for a misdemeanor, and 1 for any other charge.

⁴ Recidivism is defined as an adjudicated juvenile or convicted adult offense occurring within 6 months of completion.

¹ ODS percentage is based on the total number of releases.

² The program completed less than 15 youth and care should be taken in interpreting this data.

³ The seriousness index is comprised of the sum of all scores for prior charges. The following point values are assigned: 8 for a violent felony, 5 for a property or other felony, 2 for a misdemeanor, and 1 for any other charge.

⁴ Recidivism is defined as an adjudicated juvenile or convicted adult offense occurring within 6 months of completion.

¹ ODS percentage is based on the total number of releases.

² The program completed less than 15 youth and care should be taken in interpreting this data.

³ The seriousness index is comprised of the sum of all scores for prior charges. The following point values are assigned: 8 for a violent felony, 5 for a property or other felony, 2 for a misdemeanor, and 1 for any other charge.

⁴ Recidivism is defined as an adjudicated juvenile or convicted adult offense occurring within 6 months of completion.
