¹ Italics indicate that less than 15 youth completed the program and care should be taken in interpreting the data.

² For the purposes of calculating completions, the Florida Network considers "Family Voluntarily Withdrew" as a completion. The analysis of recidivism and completion rates for the Florida Network data in this chapter does not include those youth with "Family Voluntarily Withdrew" as a release reason.

¹ ODS percentage is based on the total number of releases

² For the purposes of calculating completions, the Florida Network considers "Family Voluntarily Withdrawn" as a completion. The analysis of recidivism and completion rates for the Florida Network data in this chapter does not include those youth with "Family Voluntarily Withdrawn" as a release reason.

³ Italics indicate the program completed less than 15 youth and care should be taken in interpreting this data.

⁴ The seriousness index is comprised of the sum of all scores for prior charges. The following point values are assigned: 8 for a violent felony, 5 for a property or other felony, 2 for a misdemeanor, and 1 for any other charge.

⁵ The seriousness index is comprised of the sum of all scores for prior adjudications. The following point values are assigned: 8 for a violent felony, 5 for a property or other felony, 2 for a misdemeanor, and 1 for any other adjudication.

⁶ Six-Month Juvenile Re-offending is defined as a juvenile or adult offense that occurs within six months of release that results in an adjudication or conviction.

⁷ Recidivism is defined as a juvenile or adult offense that occurs within one year of release that results in an adjudication or conviction.
