

Children Learn What They Live

If a child lives with criticism,
he learns to condemn.

If a child lives with hostility,
he learns to fight.

If a child lives with ridicule,
he learns to be shy.

If a child lives with jealousy,
he learns to feel guilty.

If a child lives with hatred,
he learns to hate.

If a child lives unguided,
he may never find his way
in the world.

If a child lives with tolerance,
he learns to be patient.

If a child lives with encouragement,
he learns to have confidence.

If a child lives with praise,
he learns to appreciate.

If a child lives with fairness,
he learns justice.

If a child lives with approval,
he learns to like himself.

If a child lives with acceptance
and friendship,
he finds love in the world.
