

**JJIS WEB Release 4.15**  
**JJIS WEB APPLICATION**  
**June 08, 2012**

**A. JJIS Web**

**I. Bed Management Reports**

- Added a Settings list box to the search criteria.
- Added new Program Types.
- Modified to include settings and types data from the redesign system. There will also be column additions to existing grids and tables for displaying the new system types, new formula calculations, as well as the display of existing data. The modifications were done to the following reports:
  - Facility Waiting List Report
  - Circuit Waiting List Report
  - Locator Report
  - Unable to Place Report
  - Bed Capacity Report
  - Placement Reconciliation Report
  - Resource Census from m/d/y to m/d/y Report
  - Slot Utilization Report
- Client Waiting List Report – removed report from Bed Mgmt Reports module

**II. Conference Summary - Probation**

- Modified the Conference Summary-Probation so that it will be presented as three tabs, which are: Youth | Referrals | Invitation, PACT | RPACT, & Probation. Modified report to reflect changes.

**III. Facility Program Management Module**

- Modified and added new options for Types and Settings of programs.

**IV. Non-Placement Reconciliation by Commitment Mgr**

- Added additional “Able to Place” reasons: Commitment Packet Not Ready, Medical/Physical Incomplete, Pending Court Appearance, No Comp Eval, & Other
- Added additional “Unable to Place” reasons: OHS Recommendation, Pending Transfer Approval, Abscond from pre-placement supervision, No Comp Eval, Currently in jail, Commitment packet incomplete, & Other

**V. Non-Placement Reconciliation by Facility**

- Added additional “Able to Place” reasons: Commitment Packet Not Ready, Medical/Physical Incomplete, Pending Court Appearance, No Comp Eval, & Other
- Added additional “Unable to Place” reasons: OHS Recommendation, Pending Transfer Approval, Abscond from pre-placement supervision, No Comp Eval, Currently in jail, Commitment packet incomplete, & Other

## **VI. Non-Placement Reconciliation by Youth**

- Added additional “Able to Place” reasons: Commitment Packet Not Ready, Medical/Physical Incomplete, Pending Court Appearance, No Comp Eval, & Other
- Added additional “Unable to Place” reasons: OHS Recommendation, Pending Transfer Approval, Abscond from pre-placement supervision, No Comp Eval, Currently in jail, Commitment packet incomplete & Other

## **VII. Office of Health Services – New Module**

- Created new module of Office Health Services to allow medical reviews within the Waiting module. Created a report to reflect data.
- Added a Document Library link with view-only rights
